IT'S WINTER PROGRAM REGISTRATION TIME AT THE CPCC!

Bolton, ON – Be sure to register for their winter session of programs the week of January 30 – February 4, 2017, when the CPCC offers local families the opportunity to register for their next 8 week session of early learning programs and activities.

The years from birth to age six are the most influential in a child's development and how we care for our children during those first six years sets the stage for lifelong learning, behaviour and health. At the Caledon Parent-Child Centre, families with young children can take part in a variety of *FREE* early learning programs and activities. Parents and caregivers may also get helpful information about the child's development and about services to support that development. This winter's schedule of parenting and infant development programs includes Make the Connection, Shake Rattle and Roll and Infant Mother Goose. Preschool and early learning programs will also be offered, including Toddler Time, School Here I Come, Math is Everywhere and Family Move and Groove. Based on registration volume and space limitations, a lottery system may be used to determine participation.

For more information on the Winter Schedule including detailed program descriptions and registration guidelines, visit www.cp-cc.org or call 905-857-0090. "Family Time" drop-in is open five days a week and programs are also being offered at the Cheltenham and Caledon East locations.

The CPCC/OEYC is a non-profit community service organization that provides support, resources, and education that strengthen families and promote the optimal development of children. Parents and caregivers with young children can access a variety of free child development programs, family support services and helpful information on parenting.
