The Caledon Parent-Child Centre (CPCC) is a non-profit charitable organization that has been providing quality programs for children, parents and caregivers, in Caledon and the surrounding area, since 1987. As the community's leading provider of support services for families with young children, its mission is to provide support, resources and education that strengthen families and promote the optimal development of children. Services support healthy child development, assist with the early identification of developmental concerns, provide referrals to specialized services, enhance parenting skills and prepare children for school. The Centre is a hub, offering an important blend of services that strengthen families and assist them in their critical role of raising young children.

Responsibilities:

- Collaborate with staff team to provide a supportive environment and positive learning opportunities for children and parents/caregivers.
- Plan and implement early learning activities and experiences for young children and their parents/caregivers at main Centre, rural sites and special events.
- Assist parents/caregivers with supervision of children during all programs.
- Assist with support and education services and programs for parents/caregivers.
- Participate in the preparation and delivery of outreach programs, summer festivals and community celebrations.
- Assist in maintaining an up-to-date database of participants and lending materials.
- Research and develop strategies to enhance social and cultural inclusion.

Qualifications:

- Applicants must be youth ages 15 to 30 years with education and knowledge in a field related to child development, family support, teaching or community development.
- Working knowledge and clear understanding of "How Does Learning Happen?" Ontario's Pedagogy for the Early Years and the Guiding Principles of Family Support.
- Some relevant experience working with young children 0 to 6 years of age required.
- Must be able to work both independently and as part of a team.
- Strong interpersonal, leadership and organizational skills.
- Computer literate.
